BELOVED GRAVEL

We have brought our favorite terrains and gravel back home to our own Southern French park.

PARC BORELY Just like the park in Marseille, where the largest pétanque competition in the world is played. A high-speed lane with plenty of roll to it.

GRENOBLE A replica of the World Cup terrains from Grenoble in 2004. A mental and technical challenge with slightly larger pieces of gravel.

RIANS Rians, the Grönbrallan classic with a hard, but just surface.

OUR STORY

(THE GRÖNBRALLAN LEGACY)

THE INTERRAIL ADVENTURE HADN'T STARTED TOO WELL. WE WERE THREE GUYS WHO

had left the well-known and secure grounds of Sweden for an adventure through Europe. And we were all filled with naive and youthful expectation. But already at the first stop in Paris

we were scammed and robbed by a SLIPPERY MONSIEUR.

MERDE!

CATASTROPHE!

RETREAT?

GIVE UP?

NEVER

We KEPT GOING with empty pockets and ADVENTUROUS COURAGE.

And along winding roads and together with newfound friends we made it all the way down to parque Juan Miro in Barcelona. And there he stood. The man with the green pants. He threw the boules with such height, grace and precision that no one could ever come close to. And what was up with the silly-looking gigantic green pants?

WHAT A CHARACTER
WHAT A MASTER

And after that moment nothing would ever be the same again.

There is not much that has changed

since that adventure. We still love boule and adventures. And we love to hang out with our

friends over a dinner, a glass of wine or a pastis.
